## RED CROSS BOARD PLANS ROLL CALL FOR HOME OFFICE

Pathetic Cases Now Before  
County Organization,  
Secretary States.

### ACTIVITY OUTLINED

Mrs. Snead Tells Executive  
Committee of Call for  
Soldier Relief.

At a business session held this week executives of Pontotoc County chapter of the Red Cross discussed plans for the coming Red Cross roll call. In making the decision for another roll call, the officials listened to a detailed account of the work during the past year by Mrs. Orville Snead, secretary.

It was decided that Red Cross work in the county was far from being completed and steps will be taken to raise funds to promote the work another year. More definite plans for the roll call will be announced later.

In her report of work done during the past year Mrs. Snead cited many interesting and pathetic cases. She pointed out that in her work to secure compensation for former soldiers and sailors that as many as fifty affidavits were required in some cases. One case of special interest was that of a soldier who had suffered with tuberculosis in France and Germany. It was necessary for him to obtain affidavits from nurses in New York, Boston, Philadelphia and other points as well as doctors and comrades who were with him at the time. After many weeks of delay the ex-soldier is now allowed \$18 a month compensation and application for more has been made.

**An Effective Agency.**  
Many other cases of like character have been handled. Through the influence of the Red Cross bureau such work can be carried on much more effectively than by individuals, it was pointed out. Spanish-American claims have been granted in many instances and several are pending.

One of the most pathetic cases cited by the secretary was that of an old soldier now 74 years of age. He failed to apply for a pension because he held no army discharge. Mrs. Snead said the matter was taken up by the Red Cross, as the old gentleman was in dire circumstances. It was found that he could obtain a "Class A" rating. He has been granted a pension which is sufficient to enable him to pay his taxes, retain his farm, which has been advertised for sale, and support his family.

### Lloyd George Lines Up With People in New English Strife

(By the Associated Press)  
LEEDS, Eng., Oct. 21.—Former Prime Minister Lloyd George, speaking at a great meeting of coalition liberals here this afternoon, declared the "banner of party strife" had been hoisted at the recent meeting of the conservatives at the Carlton club which voted against continuing the coalition.

"It is for the people of this country," he declared, "to decide whether party comes first or the nation first. I stand for the people."

Mr. Lloyd George asserted that the combination which had achieved the victory in the late war had been brought to an end, not because it had ceased to serve the nation but because the party was not getting enough out of it. He then launched into a vigorous defense of his administration in his usual picturesque language.

The speaker addressed a great meeting of coalition liberals and was greeted with loud applause. The hall seated 3,000 people and more than twice that number applied for admission.

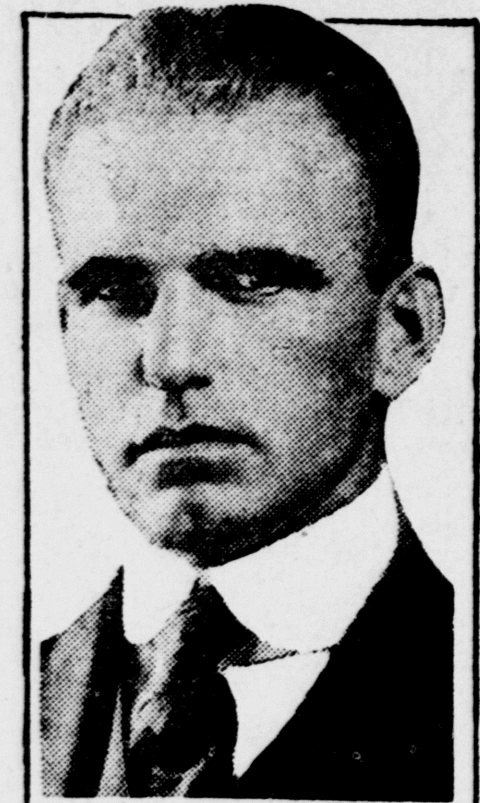

With the ex-premier on the platform were Sir Hamar Greenwood, former chief secretary of Ireland, Charles A. McCurdy, ex-parliamentary secretary of the treasury and some other members of the late government.

"I have sought honestly, sincerely and with best judgment, to serve my nation to the best of my ability," said Mr. Lloyd George in defense of his administration.

"In the war the government did everything it could. I am told 'you may have been a very good war minister, but you are no good in peace.' War is not a bad test and I have done a few things in peace."

Vacuum sweepers driven by motors are suggested for cleaning the streets of New York.

## FIGHT OVER TEXAS SENATE CANDIDATE

George E. B. Peddy.

George E. B. Peddy is the center of a Texas political tangle. When Earle B. Mayfield, alleged K. K. K. candidate, was nominated at the run-off primary, Democrats held a convention and nominated Peddy. The secretary of state now refuses to put his name on the ballot and the matter is being taken to court. Unless a decision is reached quickly Texas may for the time being lose one of her representatives in the senate.

## LASKER ATTACKS DRY SHIP RULING

Daugherty's Order Slaps  
Merchant Marine Hard  
Blow, He Declares.

(By the Associated Press)

CHICAGO, Oct. 21.—Over a banquet board last night, A. D. Lasker, chairman of the United States Shipping Board, told United States Attorney General Daugherty and other banquetters that the attorney general's recent ruling that all ships entering American waters must be "dry" was the greatest blow that could have happened to American merchant marine.

"I can prove," said Mr. Lasker, who with the attorney general spoke before the Audit Bureau of Circulation and its guests, "that Mr. Daugherty is the greatest law maker of all time. Moses only made the Red Sea dry."

Mr. Lasker said that while he was anti-saloon, he spoke neither as a wet nor as a dry but from the standpoint of the shipping board.

Informed by Press, "I have seen in the press," said Mr. Lasker, "statements that he made his decision to conform to political expediency to aid in the merchant marine bill. I never knew about the decision until the press announced it."

"As to the attorney general, who is such a good politician, if he felt he was helping American ships, he did it without consulting me. I want foreign ships to come in, as is their right, wet. Forty per cent of the passengers are foreigners and they will never subscribe to our views."

"When we are in international business we are only deceiving ourselves to think that America rules the world," the shipping board head continued.

## Konawa is Defeated by Ada High Second Team 7 to 0 Friday

KONAWA, Oct. 21.—(Special)—Konawa high school lost the first football game it has played in many years here Friday afternoon when the second team from Ada administered a 7 to 0 defeat. Every player on the Konawa team was inexperienced.

The game was evenly matched during the first half and neither side had a chance to score. The visitors' best work was through the Konawa line, while the locals depended on end running for their gains. The score was made in the third quarter when Ada managed to go across the line. Anderson for Ada kicked goal.

Simpson, Whitwell, Jackson, Rayburn, Cox, Saddler, Burkhardt, Snead, Page, Anderson and Stalcup Ada players. Yate of Konawa was referee and Gordon of Konawa was umpire. Prof. Tatum of Ada high school had charge of the visiting team.

### Justice Day to Quit

WASHINGTON, Oct. 21.—Associate Justice Will R. Day of the supreme court has decided to resign from the bench, in view of his duties as umpire in the German-American war claims negotiations, and is expected formally to present his resignation as justice to President Harding early next week.

## BOLD PRISONERS BREAK JAIL AND STEAL TWO CARS

Seven Men Escape Cells at  
Vinita and Make Break  
for Their Freedom.

### ONE BANK ROBBER

Alleged Bandit Who Took  
Part in a Centralia  
Raid is Missing.

(By the Associated Press)

VINITA, Oct. 21.—Several posses headed by officers were searching early today for seven prisoners who escaped last night from the Centralia jail here and fled in two automobiles which were seized from motorists on Vinita streets. Virtually all peace officers in the city were with the posses and no official announcement of the jail break has been made. It is known, however, that J. C. Majors, who was awaiting trial in connection with the robbery recently of a bank at Centralia, was among those who escaped.

The escape was effected about nine o'clock last night. A prisoner who had been permitted to enter the quarters of Claude Carmichael, the jailer, to use the telephone, seized the jailer and took his keys from him, according to an announcement. He then released the other six prisoners.

Posses were formed at once. It was learned that about two o'clock this morning the men in one of the fleeing automobiles were forced to stop in the river bottom between Claremore and Tulsa when their car caught fire. They held up a passing motorist, took his car from him, and continued their flight, according to word received here from the possemen.

All the men who escaped were said to be waiting trial on charges of robbery of various kinds.

### A Correction

Through error this week the News announced a marriage license had been issued to Scott Miller and Miss Nora Wilson, of Allen. Application for license was made but it was not issued. We regret the mistake and willingly correct it.

## SAYRE MEN HELD AS BANK ROBBERS

Friends of Convicted Pair  
Threaten Prosecutor;  
Sheriff to Rescue.

(By the Associated Press)

OKLAHOMA CITY, Oct. 21.—George Livingston and Walter Woods were convicted yesterday at Sayre of having robbed the Beckham County National bank at Sayre of \$1,936 on August 28, according to word received today at the attorney general's office here.

Livingston was sentenced to 10 years and Woods to 20 years, the latter sentence being suspended. Woods is 27 years old, and returned most of his share of the loot to the bank. N. W. Gore, assistant attorney general, aided in the prosecution of the men. After a stirring appeal to the jury in which he arraigned the defense bitterly, he left the court house to catch a train.

According to reports to the attorney general's office a demonstration was made against him by a group of persons who sympathized with the defendants. Gore appealed to the sheriff for protection and was escorted to the train, the report said.

## I. and G. N. Road Will Be Reorganized With \$44,150,000 in Stock

(By the Associated Press)

WASHINGTON, Oct. 21.—Appropriate plans for reorganization of the International and Great Northern in Texas were made today by the interstate commerce commission in authorizing the new corporation created following a recent sale to issue a total of \$44,150,000 par value in stocks and bonds. The proceeds will be applied to an interest charge of \$2,199,000 which the system must meet annually, and the reorganization will acquire ownership of the Security Exchange of Austin Dam and Suburban railroad and of the Galveston, Houston and Henderson road.

## K.K.K. May Hold Funeral of Girl Shot by Police

ST. JOSEPH, Mo., Oct. 21.—Announcement was made that the funeral of Nellie Margaret Hale, 14-year-old school girl, killed while riding in a motor car on a country road near here Thursday night when a posse of policemen exchanged shots with bootlegger suspects they were pursuing in a car, will be conducted by the Ku Klux Klan. Members of the police posse have been suspended from the force and one of them was dismissed today.

## MAYFIELD SAYS HE WAS KU KLUX

But Candidate Declares He  
Resigned When He  
Opened Campaign.

(By the Associated Press)

CORSICANA, Tex., Oct. 21.—Earl B. Mayfield, democratic candidate for the United States senate, admitted today he was once a member of the Ku Klux Klan when questioned as a witness in the litigation in the Navarro district court which seeks to keep his name off the ballot. He said he joined in Austin, but resigned in January before he announced himself a candidate for the senate.

Charging that one of the men on the jury, accepted to determine whether the name of Earl B. Mayfield should go on the ballot as the democratic senatorial candidate, had expressed an opinion unfavorable to Mayfield, W. P. Morgan, Jr., Mayfield's attorney, asked that the jury be dismissed before the noon recess today.

Court recessed until two o'clock without acting on Morgan's motion.

### MOTION TO STAY CASE FILED IN SUPREME COURT

(By the Associated Press)

AUSTIN, Tex., Oct. 21.—A motion asking the supreme court to order the Corsicana district court to stay its hearing of Mayfield injunction case until after the supreme court had passed on the appeal from the temporary injunction of the Corsicana court, was filed in the supreme court by David B. Trammell, attorney for Mayfield, this morning. Conflicting jurisdiction is alleged in the temporary motion.

Motion asking the hearing of the certified questions submitted by the Dallas court of civil appeals was granted today by the supreme court and the case set for submission next Wednesday. The court announced it will also on the same day hear the motion filed by Mayfield to stay further procedure with the Mayfield trial at Corsicana.

### TWO OIL WORKERS ARE KILLED IN CAR WRECK

(By the Associated Press)

BRISTOW, Oct. 21.—M. C. McCool, of DeNora was killed and Earl Brooks of Bristow, was seriously injured late yesterday when the automobile in which they were riding overturned on the highway between here and Depew. Both were oil field workers.

## M'CURTAIN DUMB WITH GRIEF FOR RECENT VICTIMS

Mine Tragedy Recalls One  
of 1912 in Which Many  
Were Stricken Down.

### FUNERALS TODAY

One Man Died in Water as  
He Fled to Safety is  
Rescuers' Belief.

(By the Associated Press)

MCCURTAIN, Oct. 21.—This quiet little mining town today is living again through the blanch of horror that befell the community in 1912 when 76 men and boys lost their lives in the San Bois Coal Company's mine, for today McCurtain is burying the dead who lost their lives in yesterday's disaster at the Progressive Coal company's mine.

The funerals of three of the miners who perished in the blast yesterday were to be held within three hours of each other here today. At 11 o'clock the funeral of Bob Edwards was held and at 1 o'clock the funeral of John Saunders was to follow, while at 2 o'clock that of Bill Taylor was to take place.

There wasn't enough crepe in town to designate the homes where the horror struck so that formality was dispensed with.

### Young Man Drowned?

Old time miners said today they were of the opinion that Burel Sprouse, youngest of those who lost their lives, and whose body was not recovered until after midnight last night, was accidentally drowned instead of being killed by the explosion. Sprouse's body was found in the bottom of the mine approximately 200 feet from the point where the explosion is thought to have occurred.

Blinded by the blast, it is believed by miners that he attempted to feel his way out of the mine, but instead walked into the water and lost his life.

The regular rescue crew, exhausted, quit work about midnight. It was then that four volunteers entered the mine with rakes and searched the water until the body was found.

## LEGION MEN OFF FOR HOME TODAY

Thousands of War Buddies  
Leave Convention at  
New Orleans.

(By the Associated Press)

NEW ORLEANS, Oct. 21.—Trains departing last night and today were loaded with returning delegates and visitors to the fourth annual convention of the American Legion which closed its five days session here yesterday with the election of Alvin N. Owsley of Texas as commander in chief to succeed Hamford MacNider and other officers.

General John J. Pershing, who addressed the Legion convention Thursday and made a brief talk yesterday to the women of the legion auxiliary, departed yesterday afternoon for San Antonio, Tex. Members of the allied veterans federation who remained over from the legion convention after the close of their annual meeting, last week, left for Memphis last night.

Upon recommendation of Commander Owsley the national executive committee reappointed Lemuel Bolles as national adjutant. Mr. Bolles announced that he had retained Russell G. Grieviston of Marion, Ind., as his assistant. The executive committee also reappointed Judge Robert Adams, judge advocate, Robert H. Tendall, national treasurer, and E. Ben Putman, as national historian.

### HOUSE UPON MEMORIAL SITE SOLD SATURDAY

Sale of the house on the memorial hall site on South Townsend was effected at auction this morning when Hill and sons, who received the contract to build the hall, paid the city \$275 for the building.

This eliminates the last remaining preliminary work to be done before actual construction of the hall is started. It is understood that most of the lumber on the building will be used in building scaffolds for the memorial hall.

## SPEAKING OF WARS, MAYBE KAISER'S IN FOR ANOTHER ONE

Mrs. Helen Jassy.

Mrs. Helen Jassy, Detroit, says ex-Kaiser Wilhelm is on his way to another war, for she was a girlhood playmate of Princess Hermine, Wilhelm's bride-to-be. She says the princess is well able to take care of herself and cites as an example the time she threw a cream puff at her father in a fit of anger.

## ADA HIGH DOWNS PURCELL 10 TO 7

Timely Field Goal Spells  
Victory for Locals in  
Thrilling Game.

PURCELL, Oct. 21.—(Special)—

A field goal in the last ten seconds of play gave Ada high school three additional points and a victory over Purcell high school here Friday afternoon 10 to 6. The game was only contested throughout, and the visitors' only advantage lay in snatching.

In the early part of the game Purcell opened an attack which was assisted by an Ada fumble. Before five minutes of play Purcell scored but failed to kick goal. This put more fight in the visitors and the remainder of the game was in the center of the field or in Purcell territory.

In the second half the visitors started scoring. On a series of terrific line smashes and end runs they put the ball across the line. Following this score the visitors again advanced to within striking distance and just before time was up the heavy toe of Baker sent a drop kick squarely between the goal posts, the ball riding through the air about 30 feet.

Purcell Scores on Pass  
Purcell's touchdown was made on a pass over the goal line after the homelings had pounded their way to within striking distance. Ada had several opportunities to score, but in most instances lacked the necessary punch. Morris of University of Oklahoma was referee. Ada defeated Purcell last year and yesterday's defeat is the second consecutive one for the Ada team.

Ed Brents of Ada is coach of the Purcell team. He has made a strong combination out of the team this year and Coach C. R. Cox complimented him on the behavior of his squad after the game.

Baker at left end, Wright at left tackle, Willoughby at left guard, Molloy at center, Morris at right guard, Nettles at right tackle, Gregg at right end, Smith at quarterback, Potts at left half, Carr at right half, and Hargis at full was the line-up started by Ada. King for Morris and Deaver for Carr were the only substitutions.

## Local Boy is Chosen Leader of Pontotoc Club at Stillwater

STILLWATER, Oct. 21.—(Special)—Nolan Young of Ada was re-elected president of the Pontotoc county student club in Oklahoma Agricultural and Mechanical college when county club organizations were revived this week. H. J. Porter of Ahlos was named vice president and G. U. Young of Ada, secretary-treasurer.

The club has almost double the membership with which it was organized last year, there being nine Pontotoc county students enrolled at A. and M. this year as compared with five last year.

Club members already have started a campaign for more students next year, its officers announce, and are showing a lively interest in the organization. "It is the intention of the club to increase its membership 150 percent next year," President Young said. "Letters will be sent to students at home who ought to be enrolled here. In fact, we hope to show a big increase even in the next term's enrollment."

## BLACKMAIL NOW HELD AS MOTIVE FOR TWO DEATHS

Affidavit by Eye Witness  
May Clear up Mystery  
at New Brunswick.

### GUARDING SUSPECTS

Principals in Mills-Hall  
Murder Kept Under Firm  
Hand of Officers

NEW BRUNSWICK, N. J., Oct. 21.—Supported by information in an affidavit by a witness to the double murder of the Rev. Edward Wheeler Hall, rector of the Episcopal church of St. John the Evangelist, and his choir leader, Mrs. Eleanor Rhinehardt Mills, authorities today appeared confident that the mystery soon would be solved.

With guards keeping leading characters in the drama under constant surveillance, no fear was felt that suspected persons might escape. Detectives were engaged in running down details considered by the officials to be essential before making an arrest.

Reports of the discovery of a witness to the double shooting, a woman of reputable character, were confirmed officially. In a statement given out at his home in La Vallette, N. J., Henry Stephens, crack shot and brother of Mrs. Francis Stephens Hall, widow of the slain rector, discussed the killing.

"There is no blood on my hands," he declared. "If I had guilty knowledge of this shooting, my conscience would accuse me without ceasing."

He said he had no opinion as to who killed Mr. Hall and Mrs. Mills but had an impression that blackmailing was the motive.

"It is my impression," he said, "that someone of the evil characters who live in certain sections of New Brunswick are involved more than any other persons, and one of them might have been a gossiping woman—head of the town gossips that associated the names of Dr. Hall and Mrs. Mills. These desperate characters probably decided to take advantage of the talk to blackmail Dr. Hall."

He pointed out that it is well known that Dr. Hall had money or could obtain it from friends and that Mrs. Hall was wealthy. He said the telephone calls fitted into the plot to lure the couple to a spot where they could be accused jointly.

## AGGIES SCORE ON SOONER SQUAD IN SCRAP AT NORMAN

(By Radio)

NORMAN, Okla., Oct. 21.—The Kansas Aggies were making good their threat to defeat the University of Oklahoma on Boyd field as the first half of their annual gridiron classic closed at 3:45 this afternoon. The score at that time stood: Kansas Aggies 7, Oklahoma 0.

Near the end of the second quarter, Oklahoma completed a forward pass over the Aggies' goal line for a touchdown but the score was not counted because of a technicality. The Sooner line was discouraging weak during the first quarter but this was counterbalanced in the second period by stellar work by the Oklahoma backfield.

During the intermission between halves, Oklahoma Ruff Necks and the Oklahoma band staged interesting demonstrations, forming the letters "O. U." in the center of the field. The freshmen boys, with their freshman queen, circled the gridiron.

Johnson, Oklahoma quarter, was taken out near the end of the second quarter. Axline, stellar Kansas backfield man, was injured and retired from the game.

## Local Man Back From National Convention of American Legion

Charley Johnson returned Friday night from New Orleans where he had been attending the fourth annual national convention of the American Legion as one of the delegates from Norman Howard post.

Other Ada delegates and visitors of the convention, who are expected to return Sunday, are Gilbert Polly, Mayo McKeown, Clint Miers, Paul Young, C. M. Dorsey, L. C. Coley, Bruce Ligon, Hugh D. Williams, C. E. Littlefield, George W. Adams and John Keltner. Oklahoma's delegation was especially active at the convention, Johnson reports, and attracted wide attention by wearing Indian war bonnets.

The crisp fall days are with us again and the leaves take on various hues such as the poets sing about and then drop to the earth, their mission accomplished. There is plenty of inspiration for poetical minds and the world will gradually pass on to the cold winter days. The ancients explained the change of seasons with the story of Pluto and Persephone, daughter of Ceres, goddess of plant life. When her daughter was carried away Ceres vowed that nothing should grow while her daughter remained away from her. As this would have meant universal famine, Jupiter himself took a hand and effected a compromise whereby Persephone should spend six months with her mother and six with her husband. It was while she was with her mother that vegetation grew and when she went back to the palace of her grim husband it died.

The Pittsburg County Guardian advises its readers not to get all "het up" with their neighbors over the election and various candidates. It reminds them that they will still have to live in the same community after the election is over and that in most cases they will be forgotten by the candidates as soon as the election is over. Really there is no use in falling out over politics, religion, or any other public matter. Abusing the other fellow is not going to win him over. Our government is founded on the spirit of tolerance which permits every man to hold to his own opinion without dictation from the other fellow.

A picture showing big Bill Haywood carrying a rifle and drilling with the soviet army has reached this country. Bill always hated everything of a military nature and above all else hated the American army and national guard. He extolled the Russian system and skipped a big bond in this country when a prison term awaited him and went to Russia where he could get the benefit of the soviet paradise. He found military training compulsory and now must do his bit occasionally. However, he has not been sent to the front.

Bonar-Law's elevation to the premiership of Great Britain is another reminder that it has been a long time since the nation was ruled by an Englishman, for the prime minister is the man who has the real power in the government. Bonar-Law is a Canadian by birth. Lloyd-George is a Welchman while before him was a whole string of Scotchmen, Asquith, Campbell-Bannerman, Balfour, Salisbury, Roseberry, etc. However, it is all in the family.

## COALITION GOVERNMENT

The British coalition government was headed by a cabinet in which several parties were represented. John Fields is talking up a coalition government for Oklahoma, but he has not suggested a single Democratic candidate for the Republicans to vote for in return for the Democratic votes he is asking for. It is to be a coalition government where does John figure for the Democrats to come in?

According to press reports that the Republicans are having the fight of their lives to hold Ohio in line this year. A senator is to be elected and the Republicans are throwing fits because the Democrats are in a fair way to re-elect Pomerene. The Republicans see in such a course a virtual repudiation of Harding by his home state.

With injunctions, charges and counter charges in the senatorial scrap in Texas neither candidate's name will appear on the ballots in many counties, leaving it up to the voters to write the name of one or the other on their tickets. Legal proceedings take time but the election date refuses to wait on the action of the courts.

Some men never add anything to their stores of knowledge because they insist on listening at their own key holes and refuse to admit that there is any other source of information.

Duty contains only four letters but it is one of the hardest to follow that is to be found in the dictionary. Dodge or shirk are too often found in the same neighborhood.

The Enid Events figures that Garfield county is safely Republican by at least 2,500. Well, Pontotoc will balance that and then some so Democrats need not worry about that.

No one doubts the wisdom of saving something for a rainy day but the average man puts off making a beginning until tomorrow, whether he gets much or little.

Let a NEWS WANT AD get it for you.

### From the Immigrant's Side.

(American Legion Weekly)

The Statue of Liberty in New York harbor has to stand for a lot of sentiment for which she is in no way responsible. A few years ago, it must be admitted, she stood for one hundred percent sentiment. Going and coming, two million and more doughboys and robs saw in her the bronze personification of all that America meant to them.

We all like to think that she means just as much to the incoming alien with the ordeal of Ellis Island still ahead of him. Perhaps she does. Perhaps the alien really comes here with love of liberty, the right to a unanimous pursuit of happiness and the brotherhood of man welling up all over him. And perhaps he doesn't.

More likely he comes here because he thinks he can make a better living here than he could at home, to avoid military service, to escape from a fluctuating currency that may reduce a bank account of years' standing to the worth of a dollar, to emulate the example of Stanislaus or Gregor or Demetrius, who left the home sod ten years ago and is now passing rich.

Somewhat we are prone to credit the immigrant with all the high-frown motives in the world and then to find fault with him because he proves as human as the rest of us. He came here to find liberty, we complain, and now we discover him getting into ward politics with all the skill and sometimes more than the influence of the native. Well, liberty itself is not the least selfish motive in the world. We, as Americans, are for it because its symbol, the eagle, is a beautiful bird. We like it because it is practical, because it works, because it suits us. Can we blame the alien for entertaining the same homely sentiment about it?

Exclusion of all immigrants for five years would mean as much to the alien himself as it will to America. No man is happy when he represents a problem. More aliens mean a greater problem, a harder task of assimilation. And even while he is being assimilated, the alien must live.

America has in no way abridged the high principles which underlie her government (always allowing for the opposition to prohibition, a factor which has for sometime been operating to check immigration). But principles go on forever, whereas economic cycles, like human careers, have their ups and downs. From the standpoint of the immigrant himself, the times are not propitious for his coming.

### Wilhelm, the Militarist.

(Kansas City Journal)

The ex-kaiser's memoirs so far have served to strengthen the world impression of him as an indiscreet militarist. Not a small part of them has been devoted to explaining the various indiscretions which aroused comment at the time of their commission. That he was an ardent militarist, he admits repeatedly. He was a militarist when he ascended the throne, and, as he writes away his exile in Holland, he is still a militarist in spirit. "Prussian kings did not chase cosmopolitan mirages," he writes, "but realized the welfare of the land could only be assured by means of a real power protecting industry and commerce."

That the ex-kaiser misused this unfortunate "realization" of the Prussian kings is proved by the final outcome. His militarism in the end did not bring prosperity and welfare to his people, but placed

on their shoulders an overwhelming indemnity, stripped them of their colonies and took hundreds of thousands of their lives. The German people today are confronted with the arduous task of settling the accounts of Hohenzollern imperialism.

The depth of thought the ex-kaiser displays by no means corresponds to the erudition he was purported to have acquired in his various activities to extend his imperial influence. Perhaps his senility or his exile has deteriorated the alertness of his reasoning. In any event, his memoirs reveal that as a political scientist he was far inferior to Bismarck and others of his chancellors who also have recorded their impressions in memoirs.

The ex-kaisers book should serve to impress the world of the true meaning of a monarchical revival in Germany. It should cause the world to sympathize with the German republic in whatever efforts it might put forth to perpetuate itself against the attacks of junkerism. The ex-kaiser reveals his own foibles, paints his own portrait. In spite of his platitudes and his affected idealism, he unconsciously tells his former people of their wisdom in disarding him.

## "WORSE THAN PAIN"

Louisiana Lady Says She Has "Never Found Anything Better Than Cardui for a Run-Down Condition."

Morgan City, La.—"It would be hard for me to tell how much benefit I have derived from the use of Cardui," said Mrs. I. G. Bowman, of 1319 Front Street, this city.

"I was so run-down in health I could hardly go. I was thin, I had no appetite. Could not rest or sleep well. I was so weak, and so very nervous, I was no pleasure to myself.

"I suffered some pain, but the worst of my trouble was from being so weak and easy to get tired and out of heart.

"This nervous condition was worse than pain.

"Some one told me of Cardui, and I decided to use it.

"After using a few bottles, I regained my strength. I wasn't so nervous, and began to eat and sleep, and grew stronger and was soon well.

"I have never found anything better for a run-down condition."

## GLORIA SWANSON IS FINELY SUPPORTED

There will be a fine demonstration of a popular supporting cast given when "Her Gilded Cage," Gloria Swanson's latest Paramount picture is presented on the screen of the McSwain theatre next Monday. In addition to the magnetic personality of the star, you will see David Powell as her leading man; and Harrison Ford as his brother. Then there will be Walter Heirs, as an enterprising press agent. He's there to guarantee the laughter end of the picture. Last but not least are: Charles A. Stevenson and Anne Cornwall, formerly a Universal star. The picture, with such a cast, ought to be well worth seeing.

## "millions now living will never die"

—Judge Rutherford

There is special significance in the troublous days through which the world has passed since 1914.

Out of these events will come greater developments, involving all nations and peoples. The Bible accurately foretold present conditions.

Its prophecies regarding the future will be fulfilled with equal exactness.

The outstanding hope held forth in the Scriptures is the hope of eternal life, and the realization of this hope is now at hand.

It will be accompanied by all that the heart has longed for—health, peace and happiness. God's purpose in giving man a revelation of His Plan was that mankind should use it, understand it, and appreciate the principles it sets forth.

An understanding of the Bible broadens one's view and inspires cheerfulness and optimism. Prophets of old have described with glowing tongue the glories of the bright day that is now dawning.

"Mischief, sure, is in the air!"  
Flitting forms are everywhere;

Over the cornfields, through the trees  
Eeril wallings are on the breeze.

And mingling high 'twixt sky and earth  
Wild shrieks of mad, unholy mirth;

What do these strange forebodings mean?  
Listen, hie!—'tis Hallowe'en."

\*\*\*\*\*

All Hallow E'en

Hallowe'en is an old, old festival which the Romans held about the first of November in honor of Pomona, goddess of fruit trees. In Britain the Druids celebrated a festival at the same time in honor of the Sun God and gradually the two merged into one.

When the people became Christians, the Church Fathers gave the festival a new association by holding it in commemoration of all departed souls. Thus October 31 came to be called "All Hallow E'en."

It was believed that upon this "holy" night the spirits of the departed returned to visit their old homes. Food was left for them, hearths swept, and chairs set out before the people could rest.

Many of the old superstitions came to this country with the Puritans. Some have been added—some lost; but we today, in America, celebrate the night for its weird mystery and flavor of romance, and because its games foretell the future.

\*\*\*\*\*

Flitting Forms Are Everywhere

They came, goblins and witches with pumpkins galore  
And perched themselves on walls, ceiling, mirrors and door

## East Central Defeats O. C. C. 31-7 upon Home Gridiron

### GOLDBUG DEFENSE IS UNABLE TO STEM FIERCE ATTACK FROM AIR; DEFEAT OF LAST YEAR AVENGED

Sheppard, Kelley, Cuning and McCoy Baffle Oklahoma City Team by Versatile Play in Third Battle of Season.

Tigers are still undefeated. Goldbugs of Oklahoma City College were beaten on College Field Friday afternoon 31 to 7 in a game featured by the field work of Sheppard and Kelley and the passing and punting of Cuning, for Ada.

Scoring was started by the Goldbugs in the first quarter. Opening a terrific attack, the visitors invaded Ada territory and were slowly advancing when Ada took the ball. Vernon was sent around right end but was knocked temporarily unconscious on the down and Reading grabbed the ball to race 25 yards for a touchdown.

In the second quarter the best work Kelley was the outstanding figure. The Tigers had an advantage on the poor punting of the visitors and Kelley smashed their line for a touchdown. A short time later he gathered in a long pass and ran 55 yards to score again. In the third quarter he again went across the line, going through 22 yards for the score.

Sheppard also proved a big ground gainer. In the last half he crossed the O. C. C. line twice. The last touchdown he made was on a 24-yard end run just as the whistle blew. Had he failed to make the entire distance the Tigers' chance for a score would have been lost.

In most of the game the Tigers had a decided advantage. Several of the regulars were out with injuries and Thompson substituted frequently. The line worked well and Kerr showed up well at tackle. Reed also was strong at left end. Several new line men used by Thompson proved to be good and it is probable that some changes in both back field and line will be made within the course of the next two games.

This was the third victory for the Tigers this season. Yesterday for the first time this season, East Central was scored on. Last year the Goldbugs defeated Ada 54 to 13 at Oklahoma City. Coach Thompson said his next game would be at Weatherford next Friday.

**First Quarter**  
The game was started when Kelly kicked 25 yards for Ada. The ball was returned to the 40-yard line and Brown of Ada was knocked out on the play. Gatlin was sent in for Brown. First scrimmage formation by play was a smash over center by Goldbugs which yielded no gain. Then came two plays over the right side of the line which made the down. Finding the right end easy, the Goldbugs sent another play over this side for 15 yards, advancing rapidly into Tiger territory.

They were halted on Tigers 30-yard line when a pass was pulled down by Lee. Tigers started a line smashing attack which yielded 8 yards in three downs, but Cuning punted 30 yards on the fourth down with a 5 yard return. Goldbugs turned were forced to punt after two downs with little gain and Ada received the ball in the center of the field. An exchange of punts again put the ball in Ada territory and Tigers recovered on their own 25-yard line. Vernon was sent around right end for five yards but fumbled the ball on the play. Reading snatched the ball and raced 25 yards for a touchdown. Danford kicked goal. Score: Goldbugs 7, Tigers 0.

Goldbugs then punted 45 yards and Tigers returned 25 yards with it. First down was a punt by Tigers for 40 yards with a 10 yard return. Goldbugs executed a pass for 9 yards and smashed the line to make the down. An off-side penalty gave them half the next down but Cuning took a pass and gave his team the ball. Ada began passing and completed two for 23 yards but lost the advantage on a 20 yard penalty. Another pass to Reed went for ten yards and the Tigers punted 40 yards with a 10-yard return, getting into Goldbug territory as the quarter drew to a close.

Goldbugs pounded the line for no gain and punted. Ada tried three passes without success and lost on a fumble with the ball on their own 45-yard line. A fumble by the Goldbugs was recovered, but they lost 10 yards. Quarter ended with the score: Goldbugs 7, Tigers 0.

**Second Quarter**  
Goldbugs were held for downs and punted over the goal line. Tigers' offensive started with the ball on their own 20-yard line. Sheppard was sent in for Cuning. After hitting the line with no gain, Tigers punted 30 yards. Goldbugs returned the punt 35 yards and gained 10 yards on the exchange. Parker was sent in for Gatlin. Sheppard was given a chance and advanced. After making the down, passes failed and Ada punted 30 yards. McCoy went in for Montgomery.

Sheppard had fumbled and made a gain of 25 yards. Cuning passed to Sheppard for 20 yards and then sent one to Kirkpatrick for 5 yards. When Sheppard started around right end for a touchdown, he had only a few seconds to make the 22 yards separating him and the goal line. Ada got the touchdown just before the whistle blew. McCoy failed to kick goal. Score: Goldbugs 7, Tigers 31.

**Line Up:**  
Goldbugs (7) ————— Tigers (31)  
Anderson ————— LE ————— Reed  
Britton ————— LT ————— Kerr  
Rutledge ————— LG ————— Brown  
Sayre ————— C ————— Smith  
Jacovich ————— RT ————— H. Smith  
Schuneman ————— RE ————— Kapps  
Schafer ————— RB ————— Lee  
Danford ————— QB ————— Montgomery  
Reading ————— LH ————— Kelly  
Whitenburg ————— RH ————— Cuning  
Grossman ————— FB ————— Vernon

Substitutions: Gatlin for Brown, Culver for Lee, Sheppard for Cuning, Parker for Gatlin, Robinson for Smith, Johnson for Robinson, Meaders for Vernon. Goldbugs: Morris for Whitenburg, Reich for Britton. Tigers—second half—Sheppard for Vernon, Snow for Brown, McCoy for Montgomery, Johnson for Smith, Morrison for Gatlin, Kirkpatrick for Reed, Reed for Kelly, Snow for Robinson.

Passes—Goldbugs: Tried 13 passes, completed two for a gain of 15 yards, had six intercepted. Tigers: tried 22 passes, completed 8 for a gain of 140 yards, had three intercepted.

Penalties—Tigers were penalized 9 times for a total of 100 yards. Goldbugs 4 times for a total of 40 yards.

Punts—Tigers averaged 30 yards, Goldbugs 18 yards.

Held for downs—Goldbugs 11, Tigers 9.

Touchdowns—Reading, Kelly 2, Sheppard 2. Danford kicked goal after touchdown, Kelly kicked one.

Field goals—Goldbugs failed 2 times, Ada 1.

Referee—Briggs, Shawnee; Umpire, Briggs, Okmulgee; Headlinesman, Rutledge.

Gains—Most of the Tiger gains through the line were over right end, left guard and right tackle. Most of the Goldbug gains were over the right side and through center.

Men injured for Tigers—Vernon, Culver, Brown, Gatlin.

### O.U. MEETS KANSAS AGGIES TODAY WITH BADLY BROKEN LINE

Owen Depends Much on Backfield Stars to Win Battle at Norman.

NORMAN, Okla., Oct. 21. —(Special)—After driving the Sooners for four days in scrimmage this week, Oklahoma presented a fighting but crippled and unbalanced eleven to the Kansas Aggies this afternoon when those invaders opened the Missouri Valley conference football schedule for Oklahoma at Norman.

The squad is crippled and has been since early training with the injuries pretty evenly distributed among the veterans, Cullen, two year lineman; Thompson, one year lineman; Hammert, first year halfback; Bowles, second year tackle; Bristow, first year fullback; all en- the game Saturday with injuries which might send them to the showers at any minute.

The unbalanced part of the Sooners comes from the absence of form stars and in inexperience of the rest. With the exception of Morrison, halfback, and Captain Edmondson, guard, Oklahoma is without veterans to depend on Saturday and the visitors have one letter man for every position and more than that for some. Part of the first year men with the Sooners are good and part are an unknown quantity. This is especially true of the ends.

**Morrison in Backfield**  
Ben C. Owen, Sooner mentor, was in doubt about who to start Saturday but indicated that the backfield would contain the names of Morrison, Bristow, Hammert and Johnson, quarterback. The line will probably be made up of Steinberger and Mathes, ends; White and Bowles, tackles; Captain Edmondson and Thompson, guards, and Schafer, center.

Substitute linemen are scarce but broke are plentiful and of such calibre that the Sooners would not suffer considerably if they lost any of them except Morrison, who has the only dependable toe in Sooner land.

The Kansas Aggies are known fighters and this year they are veterans. Oklahoma will equal, if not surpass, them in fight but the Sooners are not onto all the tricks of the game due to inexperience. The Aggies were put to the test Saturday to defeat the Washington eleven 22 to 14 while Oklahoma has not been extended this season since her two previous games have been non-conference tilts.

Oklahoma is not optimistic and is prepared for the worst. A lacing at the hands of the invaders would not surprise many and a Sooner victory would certainly upset the dope.

### OKEMAH DEFEATS SEMINOLE SQUAD IN HARD BATTLE

SEMINOLE, Oct. 21.—(Special)—Seminole was defeated here Friday afternoon by the Okemah high school football team in a fast game 19 to 12. Seminole had a decided advantage in the opening part of the game. Okemah did not open with effective work until the last half.

Before the game had progressed two minutes, Seminole had put through long end runs for a touch down. On the second kick-off, Seminole took advantage of loose playing by Okemah and scored again before eight minutes were up. The Okemah squad tightened after this and the home team never had another opportunity to score. Practically all of Seminole's gains were from long passes and end runs.

In the second half Okemah opened up with a line bombardment that demolished the Seminole line. In a short time Okemah scored, advancing the ball rapidly on short end runs and line bucks. The second touch down came in the fourth quarter and tied the score. Before the whistle Okemah had pushed the pigskin across the goal line again. The rally by the visitors to overcome a 12 point lead was the greatest ever shown by a team against the Seminole squad.

Oliver was easily the star for Seminole.

inole. T. McMahan at center, H. Huser at quarterback, E. Buck at tackle, P. Garrison at fullback, W. Hixon, T. Woods, Stevens and J. Nelson were strong men for the Okemah squad. Oliver Vernon is Okemah coach. Jop Rogers is coaching the Seminole squad. Both men are former students of East Central college and former players on the East Central college eleven.

## THANKFUL FOR A LITTLE CHILD

---

**Mrs. Mertz Tells How Lydia  
E. Pinkham's Vegetable  
Compound Helped Her**

Kutztown, Pa.—“I wish every woman  
who wants children would try Lydia E.  
Pinkham's Vegetable Compound. It  
has done so much for  
me. My baby is al-  
most a year old now

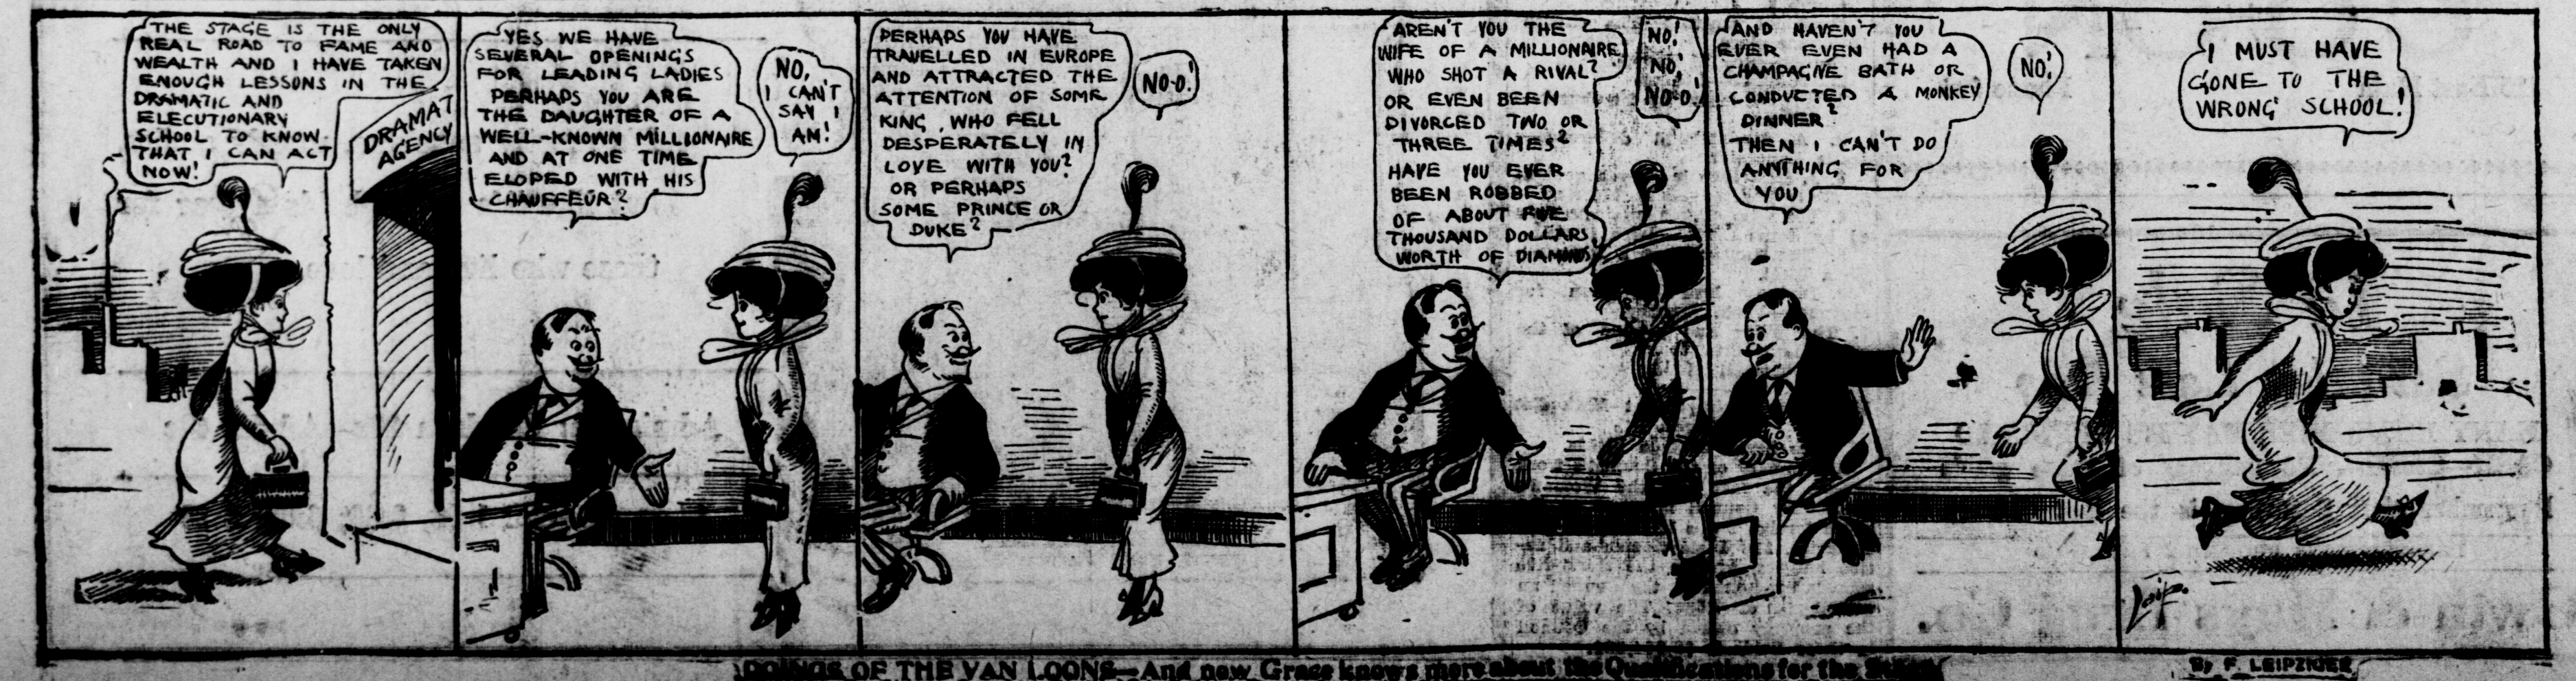

health. She wanted to be able to do as much as I do at eleven months and she was unable to do so because of her little tongue. She said, "I can say some words without any trouble at all." In real life, I am sending her pictures of the things I am doing and you her pictures of the things I am doing. I shall be thankful for your help.

As long as I live that I found such a wonderful medicine for my troubles." — Mrs. CHARLES A. MERTZ, Kutztown, Pa.

Many cases of childhood are caused by the tongue. Perhaps yours may be. Why be discouraged until you have given Lydia E. Pinkham's Vegetable Compound a faithful trial?

Spoken and written recommendations come from thousands of women who have found health and happiness from its use. We have come to us. We only tell you what they say and what we know. We believe that Lydia E. Pinkham's Vegetable Compound is so well adapted to the conditions which might cause your trouble that good will come to you by its use.

Mert is the foundation of Lydia E. Pinkham's Vegetable Compound. It has behind it a record of nearly fifty years.

I K. iii, 5.  
Confirmation instruction will be-

gin next Tuesday. The class will meet at the church at 7:30 p. m. Those who attend will not be expected or required to make any decision until after the instruction has been completed. Anyone who wishes to get some idea of the teaching of the church and the fundamental doctrines of Christianity will be most welcome. These meetings will be informal. The regular weekday service at 7:30 p. m. on Wednesdays probably will be resumed on the 25th. The form will be varied but it will be chiefly a song service.

Try a News Want Ad for results.

**First Baptist Church**  
On account of the sudden change in the weather last Sunday, the Sunday School dropped to 414. No doubt many remained at home thinking that the buildings would be uncomfortably cold, but they were not. We will have the buildings all heated every Sunday when necessary and we hope that nobody will remain at home on that account.  
The Men's Bible Class will meet at the McSwain theatre at 9:30. Plans have been made to look after absentees better and we hope to have Church news continued on page five

## PARIS PRESENTS the contrasting blouse jacket

New York features it

Immediately we offer you a BUTTERICK PATTERN for it

THE little blouse jacket that Paris has gone mad over! Made of the new wool materials and worn with a skirt of different material. A costume that is equally in vogue as a suit or as a frock. (If you prefer it as a frock buy the pattern a size smaller than usual.)

Come in to-day and see our new materials for these blouse jackets—the loveliest colors and fabrics.

You can make it so perfectly that it will have the air of an import, for the Butterick Pattern contains the Deltor that shows you exactly how to handle every step of the making—even to the very Parisian twisted fabric tubing that trims it.
